Experience

User Experience Designer, Oracle Aug 2019-Present

Collaborating with other roles in a cross-functional team to deliver user experience- and visual designs for HCM (Human Capital Management) products for web and mobile.

Freelance Designer, Self Employed Jan 2017-May 2019

While working on my BFA design degree I also balanced side work with clients, mostly free of charge, to get real projects for my portfolio.

Junior Designer, Brandenburg Summer 2018

Created rebranding proposals for award-winning Icelandic agency. Designed ads for clients including: WOW Air, City of Reykjavik, Dominos, Bank of Iceland.

Web Designer, Glama Kim Summer 2017

Designed and coded pages for Glama Kim Architects new website.

Design Intern, ENNEMM Agency 2016-2017

Created ad and website layouts for some of Iceland's top brands and attractions.
